

Generosity Prayers - Legacy of Generosity 2016

Grace-filled God, whose generous love is the seed of love in your children; we offer ourselves joyfully to your service, knowing that your wisdom will apply our gifts to empower your love and bring justice to all creation. We seek your guidance in seeing where you are at work in us, in the community, and in the world. We pledge ourselves to be your partners, that your kingdom may thrive among us, and your vision may become our vision. We pray in the name of Jesus Christ, the human and divine example of giving. Amen.

Grace-filled God, we joyfully pledge all that we are and all that we have to you. May your generous love be our example, that we may serve the world today as Christ would serve. Amen
