

“Present Legacy” – Juliette Kaltenberg - October 23, 2016

I’m Juliette and I’ve been coming here for almost three years. Being a part of Aldersgate Church has impacted my life in numerous ways. This church has moved me in the direction of God. Being young I will move and grow even closer to the Lord.

The people of Aldersgate who have helped me move toward God are Mr. Rick Wiltse, my step-mother Shelly, Cookie Kramer and Pastor Jim.

Another thing is our Legacy of Generosity, expressed through prayers, presence, gifts, service and witness enables Aldersgate to continue to move forward, making possible ministries that touch lives and make a difference in our church and community. But more important, our generosity is one of the ways we can express our love for God.

Thank you.
